Prohibited goods

For the security and safety of the aircraft and passengers, the following items are strictly prohibited, and may not be flown on our domestic network:

- Matches, cigarette lighters and lighter fluid.
- Electrolyte batteries.
- Batteries and lithium batteries, if their power is greater than 160Wh, or additional replacement batteries (transported alone, without a device). Please consult the Conditions for transporting batteries and lithium batteries PDF for more information.
- Ink cartridges.
- Fireworks, firecrackers, signal flares, cap or toy guns, firelighters, tear gas.
- Camp stoves, gas canisters, scuba oxygen tanks, fridges.
- Paints, varnishes, lacquers.
- Toxic, infectious, and radioactive materials.
- Chemical products, fertilizers, weed killers, pesticides, insecticides, poisons.
- Strippers, bleach, chlorine, cleaning products.
- Flammable liquids like fuel, thinners, solvents, and acetones.
- Mercury thermometers and barometers.

CERTIFICATION FOR NON-DANGEROUS GOODS (NON-HAZARDOUS)

I, hereby certify that the above-mentioned goods declared are non-hazardous materials for air transportation of any nature. The consignment is fully described on this document and on the Air waybill by its common name, is in proper condition and packed for carriage by air. I also acknowledge that I may be liable for damages resulting from any misstatement or omission to declare the exact contents of this shipment, and I further agree that any air carriers involved in the carriage of this consignment may rely upon this certification.
