

Directions to BidAir Cargo Branch Lanseria

BidAir Cargo Branch

- Coming from Johannesburg, Pretoria or Krugersdorp take the R512 and look for the sign for the Lanseria Airport Off-ramp.
- Proceed in the direction of Lanseria, through three sets of traffic lights (one being very soon after taking the off ramp, the next being by a Total Garage, then another set)
- At the **Fourth** set of traffic lights turn right into the road which leads to the Airport. As you get near the Airport, there is a three-way stop – turn right towards the Terminal Buildings.
- Proceed with caution **past the passenger terminal** until you see the Permit Office on your right.
- Park opposite the permit office and call the BidAir Cargo Branch on Tel 011-659 1575.
- A BidAir Cargo staff member will meet you at the Permit office to arrange a permit and escort you and your vehicle airside to the BidAir Cargo Office which is located at the old fire station – Hangar 75.
- Please activate your hazard indicators while driving airside
- Once your cargo has been accepted, the BidAir Cargo staff member will escort you back to the Permit Office landside.
