

KINDLY NOTE

**PLEASE ENSURE
THAT YOUR FURRY
LOVED ONE IS ON
A LEASH WHILE IN
THE PETLOUNGE.**

We no longer accept any leashes inside the crate due to safety & security reasons.

If you would like the leash to accompany your dog, it will be attached to the crate by means of cable ties.

An indemnity form needs to be completed as we will not be responsible for leashes that are lost.

Alternatively you can send the leash via the cargo section as normal cargo.
